AUTUMN 1 WEEK 1

ACHIEVING EXCELLENCE TOGETHER

Dear Parents and Carers,

Welcome Back to the New School Year!

It has been wonderful welcoming all of our children back to Grove Primary School this week! Everyone has returned full of energy, enthusiasm, and readiness for the exciting year ahead.

This week, classes across the school have been working hard together to create their new Class Charters. As a Rights Respecting School, these charters reflect our core values:

- **Kind and Caring:** Looking out for one another every day.
- **School Guardians:** Taking pride in and caring for our environment.
- **Respect Rockstars:** Showing mutual respect across our whole community.
- **Truth Heroes:** Valuing honesty and integrity in all that we do.
- **Great Listeners & Great Doers:** Engaging fully with our learning and supporting others.

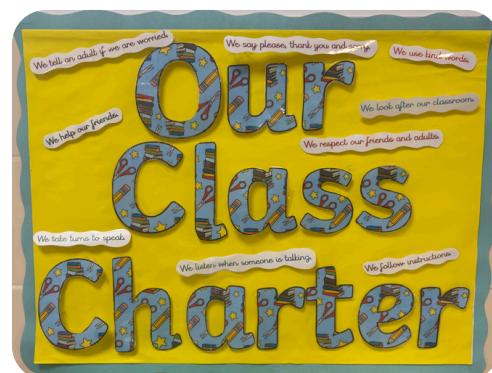

It has been inspiring to see the children discuss these principles so thoughtfully and take true ownership of their classroom environments.

With the new term underway, please ensure that all items of school uniform are clearly labeled with your child's name, including coats and jumpers. Named items make it much easier to return lost property to its rightful owner quickly.

We would like to invite all parents and carers to join us online via Microsoft Teams for our start-of-year welcome presentation on Wednesday, 16th September at 4:30 PM. This meeting will give you an insight into the year ahead, expectations, and how we can work together to support your child. Further details and the meeting link will be sent out via email shortly.

Next Friday, we are proud to support Jeans for Genes Day! Children and staff are invited to come to school wearing their favorite jeans or denim items in exchange for a £1 donation. All funds raised will go directly toward supporting children and families affected by genetic conditions.

Thank you for your continued support in making the start of this academic year so positive and seamless. We look forward to a successful, creative, and inspiring year ahead together!

RIGHTS RESPECTING

ARTICLE OF THE MONTH

Article 29 (Goals of education) Education must develop every child's personality, talents and abilities to the full. It must encourage the child's respect for human rights, as well as respect for their parents, their own and other cultures, and the environment.
