AUTUMN 1 WEEK 2

ACHIEVING EXCELLENCE TOGETHER

Welcome back to another exciting week at Grove Primary School! It's been wonderful to see our pupils settling back into school life so well. The energy and enthusiasm across the classrooms have been fantastic, and it's clear that our community has embraced the return with positivity and purpose.

Today marks a special occasion as we come together for Jeans for Genes Day. It's a privilege to support such an important cause and raise awareness for those living with genetic conditions. Thank you to everyone who has contributed today – your generosity will make a real difference to families who need it most.

One of the things we are most proud of in our school is witnessing the excellent behaviour displayed by our pupils every single day. It's evident that our children are truly embodying our school values, and this creates such a positive environment for learning and growth. The respect, kindness, and responsibility our pupils show towards one another and their learning is something we should all celebrate.

We would also like to take a moment to highlight how beautifully our youngest learners are settling in. The children in Nursery and Reception are enjoying school and making wonderful friendships. Watching them grow in confidence and form those important early connections is a joy, and their families can be assured that they are in a nurturing and caring environment.

As we move forward this half-term, we would like to remind parents that we have a Welcome Meeting coming up next Wednesday, which will be held online. This is a great opportunity to connect with us and find out more about what's happening in school. We do hope you'll be able to join us.

Thank you for your continued support of Grove Primary School. Together, we're creating a thriving community where every child can flourish.

# RIGHTS RESPECTING

## ARTICLE OF THE MONTH

### Article 4 (Implementation of the Convention)

Governments must do all they can to make sure every child can enjoy their rights by creating systems and passing laws that promote and protect children's rights.
